

Subject: HISC First Annual Tune Up Race Day

Attention all HISC racers, come on out Sunday March, 22 for a fun day of racing. You know you want to, you know your crew needs it, so just do it. We will have several short races, no committee, no scores, no hassles, just some fun practice to shake off the cobwebs.

The races will be at the regular area starting at 10:00am.
