

HILLSBORO INLET SAILING CLUB
JUNIOR SAILING PROGRAM
Statement of Understanding for a Minor Candidate

The Hillsboro Inlet Sailing Club Junior Sailing Course is an exciting and demanding challenge, but you need to be aware of what will be involved and be willing to study and practice to achieve success.

A swim test is required of all students, which consists of swimming 50 yards in sailing clothes and shoes. The information form provided you from HISC must be completed and signed by your parent or legal guardian and turned in prior to course commencement.

You will be required to provide your own Type III personal floatation device (PFD) which must be Coast Guard approved, the proper size for your weight and build, and comfortable as you will be wearing it at all times while on or near the water. Shoes will be worn at all times in the boats and while in the launching area.

Please carefully read and sign the following agreement and have your parents read and sign the second agreement.
