Good day HISC sailors. Time keeps cruising along and we find ourselves in summer “fun in the sun.” As ever, there are new things to announce. For the first time we are going to have an August edition of the Inlet/Outlet. This will be a website-only Internet edition. Late in July the editor will blast out that the newsletter is available on the website. We are doing this to acclimate you to reading it online and printing it yourself if you want hard copy. There is always a “ton” of news in August, so it is important that the membership not have to wait until September to receive it.

On May 19th Hospice ran the 21st annual regatta. Weather was definitely a factor with wind gusts up to 45 knots. 29 boats registered, 12 started, and only 4 finished. HISC was well represented. Half of the finishers who won prizes were Hillsboro Inlet Sailing Club Commodore Esprit Du Vent.
Club members. If the race was a wash-out, the after-race party was not. Everyone enjoyed the lobster feed, and real money was raised for Hospice. It was good to see that a sailboat business was a major sponsor of a sailboat race. Thank you, Denison Yachting’s local Ft. Lauderdale office.

And, speaking of weather, we got in all 10 races of our Spring Series this year. Some times the winds were fair and other times not so fair, but our hearty fleet of sailors carried on. Our band of buoy-setters and course captains took some of the work off of the shoulders of our Race Chair, Barbara. If anyone can think of ways of sharing the work of some of the over-burdened chairs, please make suggestions. We have 80 volunteer positions in the HISC. One of the reasons we are growing while other clubs are not, is there is no small clique of folks who do all the work and command glory. We roll up our sleeves and get to work.

Mid-summer is a time for Beer Can, Coastals, cruises, and specialty races. One of the more interesting races is the annual single-handed race to be held this year on July 21st. No need to share the fame with the crew. You are it; chief cook and bottle washer. And, of course, no excuses like we would have won if my deck-ape had tailed the jib faster!

Sail on sailors...

Father’s Day Cruise
By Christeen Pozniak

Well, it was another successful cruising and coastal race event for the Nederlanden/Father’s Day weekend at Bahia Mar. The race was a slow and hot one, but boats and crew arrived Bahia Mar safely to relax by the poolside before the after race party. And what a party! The Social committee put on an amazing spread with sandwiches, meatballs, salads other delights. The turnout was great with over 74 sailors joining in on the fun. After dinner, Frank Tippet led the traditional toast of Rum with Bitter lemon in honor of Bill Nederlanden. Then the race committee gave out all of the hardware to hearty cheers.

After some socializing, the evening ended on B dock with some of our talented members and families doing some dockside karaoke and live performances complete with ukulele and singalongs!

The next day brought 42 sailors out for the BM&B bar. That is Bloody Mary and Bagel bar! It was a great start to the day with a bloody Mary complete with shrimp, olives, hot sauce and candied bacon to begin and fresh bagels with various cream cheese flavors. Yum! After breakfast everyone headed back home after a great weekend out on the water.

All in all a wonderful South Florida summer weekend in honor of our first commodore and the entire dad’s on Father’s day!

Cruising—Earned Your Flag Yet?
By Pam Angel—Cruising Chair

How to earn Cruising Points to get this year’s HISC Cruising Flag.

Since we have many new members, and some members who haven’t cruised, or just don’t know what it takes to get a Cruising Point, here’s a refresher on how easy it is to earn points. And remember, only 10 Cruising Points, gets you this year’s fabulous Cruising Flag.

1 point per boat: Host an HISC Cruising Event. Get some of your friendly cruisers to help. Or we’ll help you get co-hosts. It’s Easy and a Fun way to meet new people. (Cruising events even includes the Landlubber Party). This year’s Cruising Committee has a budget of $100 per night (max 2 nights) to help fund the event. (Receipts are required for reimbursement). And we’ll even supply all the paper goods, plates, cups, cutlery, napkins, etc., that you need. We even have two bins of decorations to help with a theme, if you want. They include decorations for St Patrick’s Day, Casino night, Chef’s attire, Chili Cook-off, Crab Races, Oktoberfest, Pirate Theme, and a Tropical theme. And remember, the point for hosting is in ADDITION to the points you earn for attending! And you’ll have a great time while you’re doing it.

1 point per boat per night: Overnight Cruise event. (Max 2 Points): Attend an HISC Cruising Event. This is easy… Come out and have fun! Events are at a variety of locations, sometimes marinas, some at anchor.

1 point per boat: Buddy Cruise with some HISC Cruising /Racing friends in local waters. You can get points by doing what we all love… Cruising… Just let the Jeff Keiser. Each boat earns 1 point). Both anchoring/mooring and marina cruises qualify…. And remember, when you stay overnight for a Coastal Races at a marina or on the hook with your other HISC racers, is a great way to earn a cruising point!

So… anyone who has done the Key West Race, West Palm Beach Race, or Nederlanden Race/ Father’s Day Cruise… and stayed in the anchorage or marina with fellow racers, you need to contact Jeff Keiser!

2 points per boat: Extended cruise outside of local waters. Going a little further this year? Let us know and you can get cruising points.

1 point per boat: Attend the blood drive… and you don’t even have to give blood. However, if you can, what a great way to do good while having fun.

1 point per boat: Attend the Landlubber Party. Although this is not an overnight event, historically it has been run under the auspices of Cruising. Party with your friends, get a Cruising Point, and since it’s in August, everyone gets to go home to their A/C.

Host boats, Blood Drive Hosts, Landlubber Hosts all keep lists of attendees. Everyone else should email Jeff Keiser at xxx@xxxx.com to get your points… And of course, check out the Cruising Points link on the website and let Jeff know if we missed giving you credit.

Hello Sailors, We’ve had a successful Spring sailing season. We sailed all the Spring Series Races with no cancellations! A great turnout from our racers. We are looking forward to more boats joining in, in the Fall Series. Be on the lookout for our Speciality races, Single handed in July and Ladies Day and Crew Race in August! Beer can every Wednesday night, weather permitting.

Hospice 2018 was a great success. A big congrats to Paul Chasse for raising the most funds! However, the weather was far from good. There were white outs, squalls, and at one time 40 knot winds and let’s not forget the pelting rain which almost obscured the Committee boat! We had a great turnout from HISC boats, unfortunately the weather kept a lot in port and turned others back. About half the boats started the race but only four finished. Congratulations to ARC NON SPIN, Commotion 2nd place and Contrails 3rd place! They are to be commended for their perseverance!! The best part of the day was the party! Thanks to everyone that made that happen. There’s always next year.

Our First Coastal Race of the year was a great success. We had 21 boats competing from HISC and PBSC and one boat from Castaways. Congratulations to all our participants, the weather, although not bad, no storms, but the air got continually lighter at the end of the race, making it more difficult for some boats to finish. We took home seven trophies for HISC. Line honors went to Imagine as well as second place in JAM. Placing first in JAM was Contrails, and Third was La Bon Vie! ARC had Third Tri placing Third. COR, First place went to, Into The Blue and in GNK, Fandango was Third. In the Multi class, Lady Grey brought home a First place. It took a lot of people to make this race happen and we thank them all. Our Pre-race party and skippers meeting had great attendance. The after race party was a huge success with music, dancing and great trophies!

The final Race Instructions and scratch sheet were handed out at our Pre race party. Remember this, it is the Captains responsibility to get, read, and follow any race instructions. The reason we have skippers meetings is to talk about any changes that will take place. We don’t have a formal meeting place/ board to post changes so we do this verbally, hand out the printed instructions and in this race you could go to Regattanetwork.com, as well as reading the blast outs prior to the race...which was blasted out 2 days prior to the start of this race. If you Race any big races such as Columbus Day, or Key West, you will be ahead of the game by remembering this tip! Your crew will thank you too, especially if you are standing and collecting your winning hardware!

Our second Coastal Race, The Bill Nederlanden Race, was June 16, 2018. The After race party at the Bahia Mar.

Have fun, sail fast, and remember sailing is a sport of honor!

Cheers
