From The Helm

Commodore
Paradox

Hello HISC Sailors,
This month is my first as commodore and the culmination of months of planning. I am honored to have been selected to serve and hope to continue all the traditions of HISC. I am so grateful to all of our members who have stepped forward and volunteered as Flag Officers, Board, Committee Chairs and Members. Thanks for all the help from our past commodore, Bob Schuldenfrei, and many others for their guidance. Lastly, to my wife Sherry, whose immeasurable assistance as treasurer and overall organizer, has helped make this transition possible. For many years sailing was just a dream for me, mostly the things one reads about in a monthly sail magazine. Sure, I had a few experiences in my early twenties with a Sunfish, Hobie 14, and a Buccaneer 18ft day sailor, but for most of my life, I was a slumbering sailor, more dream than reality. That was until 12 years ago, when I was invited to crew on Michael Carrington’s Susimi

in HISC’s racing fleet. I was hooked. We joined HISC, and a few years later, we purchased our own Beneteau 331 “Paradocs”. The last decade has been a whirlwind of racing, cruising and socializing with HISC members. With as much as I have learned from others, I still remain humbled by the power and unforgiving nature of the sea. It is said that “one must learn from the mistakes of others because you’ll never live long enough to make them all yourself”. HISC provides the forum for all experiences that are sailing. We are a diverse but cohesive group of like-minded individuals that just love sailing. I’m sure my story is like many of yours, however there are still many slumbering sailors out there just waiting for someone to awaken them. I therefore challenge you in this next year to invite a friend, or club member to day-sail, race, or cruise and awaken a slumbering sailor. Who knows, that man or woman might become our HISC commodore someday...

We have a fantastic year planned, beginning with the Change of Command Dinner and Circle Raft up the following weekend. The St Patrick’s Day Cruise will quickly follow. Our Youth Sailing Program starts up again in early March after the acquisition of four new Open Bic sailboats for our youngest sailors. Our Spring Racing series kicks up in late March, so don’t miss the captains briefing at our March 14th General Meeting. Find out about racing in our gunk hole, jib & main, or ARC fleets. If you have never raced this is a good time to start. If you don’t have a boat, or have one but no crew, contact our webmaster and join our HISC the crew pool.

So... Let’s go Sailing...
Jeff Sussman,
HISC Commodore 2019-2020 - Paradocs

It was a Hot, Hot time in Lake Boca the weekend of February 9-10. The brisk winds failed to chill the hot flow of chili from the participants of our annual Chili Cook Off.

Attending were the host boats of Duet, Southwinds and Paradocs. The participating boats were Sea Dragon, Cookie Monster, Imagine, Dalecarlia, Lizzetta, Sempra Amantes, Little Into the Blue, and Sea Ghost. There were many participants that came in by launch, making it a festive and wonderful evening together on the water for HISC.

This year, three trophies were given. Peder Sahlin won for the best chili and was awarded our perpetual trophy. Tom Garvey had the most unique presentation and Christeen Pozniak the most unique chili. Imagine a dessert chili!!! Our white wine sangria was a hit... the fruit took three hours of careful preparation by the Wechterman‘s making it a splendid success. Looking forward to next year‘s chili cook off.

Cruising Flags presentation at February General Meeting

End of year Cruising Flags were earned and presented at the February General Meeting.

Congratulations to Paradocs (Sherry and Jeff Sussman), Imagine (Brenda and Michael Duvall), Alebrije (Hector Arrillaga and Lucy Tamez) and Diversion (Joyce and Bob Tigar)!

They all received their Cruising Flags this month! Only 1 event left to get yours! Of course, if you raft up with a fellow HISC boat, you can also get points. Let your Cruising Committee know that you've been out on the water overnight with another HISC boat.

And if you have Cruising plans coming up, share them with other club members on the HISC Forum. Cruising is more fun when you do it with other boats. The link is on the HISC website home page under Events and Publications.

Several other boats from the Single Sailor and other Sailing Clubs were present.

Edwardo & Eva provided some great photos overlooking the circle and many other members posted pics to facebook. The Photo Link is: https://hisc.smugmug.com/2019-Circle-Raft-Up/

Friday afternoon, member’s dinked to each others boats and shared how their trip to the Lake went on the beautiful sailing day. Eximius sailed from Port Everglades after spending Thursday night at Lake Sylvia, if others had as great a sail as us, then everyone enjoyed it.

Saturday, Ross worked aboard Commotion to arrange the boats into the circle with the help of a a few dinghy tugs. Bow anchors were dropped by nearly half of the raftees and at least 4 stern anchors were planted in the middle of the circle. It all went pretty smoothly which was a testament to the Raft Master Ross’ Skill and experience (yes, we’re hoping he’ll work his magic again next year)

During the afternoon, the Cruising Committee handed out a few last minute Cruising Host’s Gifts and then prepared for the Change of Command Ceremony, Flags were lowered changed boats and raised. The 2019 Cruising Flag—with the emblem ‘Let’s Go Sailing’ - was shown to all in attendance as the cruise committee dinghy travelled around the inside of the circle.

Then it was time for the Dink & Drift. I cannot believe that all that food was eaten! There were probably 24 dinghies in the drift and each must have enough food to feed everyone! Dinner was not required!

Dave Legrow, Jeff Keiser, Jeff Sussman, and my self plus a couple of other intrepid drivers were probably all exhausted by the time the Dink & Drift was over, but we still had time to chat with others as they came around the circle, all with the Raft Master’s message to MIND THE GAP.

A great weekend.
TIME TO RACE

One race canceled on my watch, not too bad!! Hopefully, we’ll make up the race on this coming Saturday, Feb 16th!! It’s a fun race, Valentines Day/Couples Race, we hope for a great showing!

We are getting ready for our new race season, with a new Race Chair, Michael Sparks! I will be there at the ready to assist him in anyway I can, as I know all the people who volunteered for me on my shift will do as well! We’ll have a great season, come out and join us on the line. Our first race will be Spring Series 1&2 on March 24, 2019.

Thanks again to all who assisted me in my tenure, a thank you article was posted in the online Feb Inlet/Outlet, so I won’t go into the details again. Without your support, we wouldn’t have such a great race program! Let’s keep up the volunteerism and make our racing the exceptional program it is for 2019!

Cheers

Hellooo cruisers!!!!
Remarkable weather and a pristine execution of the circle raft up under the coordination of our raft-master Russ Hunton signaled not only the change of flags for our new Commodore Jeff Sussman but also the start of what is going to be a great cruising year!
A key element was the early attendance of most of the boats. Before noon we had four rafts with 21 boats. When the wind picked up the increasing but still gentle breeze was no match for a circle that closed punctually at 3 pm. Immediately after closing, we have people swimming, paddle boards, a drone taking pictures, kids jumping all over the place and yes, who will guess, a paddleboard wet-bar!
The dink & drift was great as usual with tons of finger food for all. Many people completed the circle-navigation on foot. With 35 boats you will think it will take a couple of minutes, but when you must stop for a boat tour, a drink, a little chat, or even to play “left, right, center” (I bet it was a pirate game) it was tough to complete the full circle in less than two hours.
The night was calm. The wind refreshed early in the morning. And breakfast occurred quietly before orderly breaking the circle at 11 am.
We, the cruising committee want to thank everybody that participated. It was an amazing memorable event.
Now, let’s turn into some serious action!

This is how easy it is to host a Successful Cruise
1. Have a pre-cruise meeting with all of the hosts, it is a great excuse to have fun and plan the event. Have a theme and activities such as contests and awards.
2. Make sure to promote it at the General Meeting. Bring flyers, props and costumes, that’s what gets the attention of the membership.
3. At the event, take lots of pictures and post them on our facebook page. Make a note of all the boats that attend and write a brief narrative about the cruise and send pics and the list to waterladypam@gmail.com.
4. Remember, you have a small budget of $100 per event night. Please save your receipts and submit them to the Club Treasurer.

If you have any questions on how to get involved with our cruising events this year, please contact me.
Ahoy there sailors! Our 2019/20 Racing season kicks off at our annual skipper’s meeting on March 14th, right after the general meeting. The skipper’s meeting will cover everything you need to know to participate in one of our HISC racing events. We will cover the basic rules, schedules, handicaps and fleets. You can pick and choose when you want to race. If you have any inkling about racing, please plan to attend the 2019 Skipper’s meeting. Crew, volunteers, and any member interested in racing are both invited and encouraged to attend. Skippers need to attend and complete the racing forms for the new season.

Last season was a tremendous success with the new Gunkhole fleet and the consistent participation in the Coastal Races, Spring series, Fall Series, Beer Can and the “fun” races like the Ladies Day Race and the Singlehanded Race. If you are a hard-core racer or just like to get out and sail, we have a fleet and race for you! As with any of our HISC programs, everyone is invited and encouraged to participate. Here are the HISC race dates for the first half of the year:

Spring Series: March 24, March 31st, April 14th, May 5th, June 2nd
West Palm Beach Race: June 8th (1st Coastal)
Bill Nederlanden Race: June 14th (2nd Coastal)
Beer Can Series: Wednesday evenings from May 1st to Aug 7th

And, if you want more opportunities to race and have fun, there are several other events that draw several HISC boats:

Gulfstream Regatta: April 13th (http://www.gulfstreamregatta.org/)
Miami to Key Largo Race: April 26/27
Hospice Regatta: May 18th (https://trustbridgefoundation.org/event/regatta/)
Regatta Time in Abaco: June 25th – July 4th (http://www.regattatimeinabaco.com/)

Racing is a big program at HISC and takes a lot of volunteers to keep it running. We will introduce our beach committee, after race committee, buoy captains and all the other volunteers who contribute to our racing program. I’d like to particularly thank Barbara Wallace for the tremendous job she did last year as race chair and for all the assistance she is giving me as I assume the racing program helm.

Michael Sparks

As part of our preparation for a 3+ week trip to the Bahamas, I visited the Bahamian Tourism Office in Plantation and obtained a number of Bahamas documents (Customs & Immigration forms).

The link to the site is: https://www.bahamas.com/faq/enteringexiting-policies

The Bahamas Customs Clearance Form can be found at: http://www.bahamas.com/sites/default/files/bahamas_custom_clearance.pdf

Copied from their site (March 4th 2019): >>>>>
To enter The Islands Of The Bahamas, private vessels need the following:
\[a\] One (1) copy of The Bahamas Customs Clearance Form PDF
\[b\] One (1) Bahamas Immigration Card per person
\[c\] Proof of Citizenship—Passport
\[d\] Vessel registration documents (Vessel title / proof of ownership)

Arriving By Boat
Visiting boaters must clear Customs and Immigration at the nearest designated Port of Entry. As you enter each port, fly the yellow quarantine flag and notify Customs of your arrival. Only the captain is permitted to leave the boat until your vessel has been cleared.

Customs and Immigration officials will come to your vessel. Everyone on board must have proof of citizenship and fill out an immigration card. US citizens must present a passport. Before leaving The Islands Of The Bahamas, be sure to surrender your copy of the immigration card at the last Bahamian port you visit.

If you have a firearm on board (shotguns and handguns only) you must declare it with Bahamian Customs. You must provide the serial number, name of the manufacturer, plus an exact count of ammunition. While you are allowed to have a firearm on your boat, you cannot remove it. Weapons must be under lock and key at all times. In cases of emergencies, which require your departure by air, you must notify Bahamian Police or Customs. They will accompany you to retrieve the firearm and present you with a receipt. Upon your return to the island, Bahamian Police or Customs will escort you to your vessel and return your firearm. Any infraction of this law will be dealt with severely.

Entry Fees
All boaters entering The Bahamas are required to pay an entry fee.
\[a\] For boats up to 35', the fee is $150.00
\[b\] For boats over 35', the fee is $300.00

Fees Subject To Change

The fees will cover:
1) Cruising Permit
2) Fishing Permit
3) Departure Tax for up to three (3) persons. Each additional person above three will be charged a $20 departure tax. This fee is good for a second re-entry within a 90-day period.

If you plan to stay longer than 12 months, special arrangements must be made with Bahamian Customs and Immigration. Bahamian Customs and Immigration office hours are from 9 a.m. to 5 p.m. weekdays. Officers are on call during holidays and weekends.

There is no overtime charge.
