Hi HISC Community. The year is rolling along in high gear now. The four functional areas of our Club (Race, Cruise, Social, and Youth Sailing) have had events and we are looking forward to many more in the months to come. Did you ever stop to consider that we average more than one event per week? They are usually accompanied with a party.

A quick look at the calendar will show that Beer Can racing is beginning on May 2nd. As the sun sets later during the late spring and summer months, this popular activity gets underway. If you want to get more of the racing “fix,” Beer Can is for you.

One of the biggest races of the year is the Hospice Regatta. Hillsboro Inlet Sailing Club is going to participate in the 21st Annual Hospice Regatta scheduled for Saturday, May 19th. As you know, proceeds from this regatta support important hospice programs provided to our

I am pleased to report to you that the committee structure set up for this Commodore Year is working and working well. The chairs are running their areas with great skill. Your Board is ready to step in where needed to get the needed resources if necessary. Fortunately, the needs have been few.

For a final reminder, the printed Roster has been available for over a month now. Each membership is allotted one for free, but you can buy as many as you want from the Quartermaster.

Spring is in the air. The boats of HISC gathered in Lake Boca the weekend of April 7-8 for Spring Fling. Attending was Affection, Viking Princess, Margarita, Fandango, Lizetta, Pegasus and Cheshire. Hosting the event was Paradocs, Sempre Amantes and Alebrije. It was breezy and cool. The fun started on Saturday afternoon with a colorful appetizer contest. Multiple entries were submitted, all representing the beautiful colors of spring. The winning entry was a Mexican layer appetizer made by Petra and Chet of Viking Princess.

Slinkys (springs) were given as gifts for all the boats that participated. We had an impromptu slinky contest to see who could get their slink to “walk” down the companionway steps on Sempre Amantes. Julie Whittaker won that hands-down. For her efforts we awarded her a bottle of champagne. Sunday morning was full of bagels, apple and blueberry pancakes and the continuation of the Mimosas that began on Saturday night. It was a great event...the weather was absolutely gorgeous. Thanks to all the boats that participated.

Racing season is in full swing after the short break we had for the Easter/Passover and cruising venue. Spring Series Race 3&4 saw a participation of 15 of our boats with a few new ones joining the racing. That’s the biggest turnout so far and once the other boats get their sails and boat repairs done, we expect even more boats on the line. This weekend (April 14, 2018), we started off with the Gulfstream Regatta. HISC Racers have stepped up to the plate. We had 8 HISC racers and 7 Gulfstream competitors. The weather conditions were perfect, just enough wind, a few waves, and bright blue skies! Larry Geller used his power boat as race committee, thanks for that Larry. A great after race party at The Funky Buddha in Ft. Lauderdale was enjoyed by both participants and their crews along with many other non competing club members.

April 21, 2018 is The Miami-Key Largo Race. Once again, HISC Racers have stepped it up and participation is expected to be good from our club. We have always been told this is a fun race so this year Contrails and crew will be partaking of the event. We’ll let you know if the rumors are true!! The return of Our club racing, Spring Series 5&6 for ARC and JAM, #3 for GNK will be on April 29, 2018. We are looking forward to even more racers joining the fun day on the water. We are still looking for Beach Committee volunteers to help out. Thanks to our Beach Committee for their hard work and efforts. Remember, call your boat name and sail number in when approaching/crossing the finish line! Every second counts!

May ushers even more sailing in with the start of Beer Can on May 2nd, our Spring Series 7&8 on May 6th. Two really big event races are coming up that need mentioning. May 19th Hospice, which is a very worthy cause and a great race and after party affair. This race draws a lot of racers out because the race format is a pursuit race which means you could be alone on the start line or with very few boats. It’s great for racers who want to get their feet wet! We encourage everyone to join in both the racing, partying or both and raise some funds too! It’s never too early to encourage racers for the HISC-WPB Race. We have had low attendance in the past two years and we would like to see a boost in HISC’s involvement. PBSC has promised a great after race venue with the addition of music! Join in and drop me an email that you will be joining this race!

Our first Coastal Race is the WPB Race. Remember, choose your fleet wisely, as once you have signed up for a particular fleet, you can’t change until the season is over, which includes four Coastal Races!

Youth Sailing
By Jim Wallace Youth Sailing Committee

The March Youth Sailing classes were a great success. We had 25 children participate, the largest group ever! The first day was windy and the last day was light, so the children got experience in all conditions. The last day was the sailing olympics and picnic. They were all winners! Next class starts August 4, 2018 at Quiet Waters Park.

Thanks to all the volunteers and congrats to all the children!

HISC Beer Can Race Series for 2018
By Jamie Cowan

Mark your calendars – Wednesday, May 2nd at 1900 at the HI buoy for the first race in the famous Beer Can Race Series. In case we don't have any committee boat (likely), look for a “Rabbit” (see below), and we will assign a boat to announce a course, start time, etc., on VHF channel 68.

We plan to start with the ratings in effect as of the last race last year and continue to adjust them after each race. This should keep it interesting and give everyone a good chance to share the prizes.

As always, we will have t-shirts custom designed for us by our resident artist, Pat Anderson, of “My Own Cruising Journal”. Fund raising duties are again being handled by Commodore Frank Tippett. Remember, all funds spent by the Beer Can Race program are contributed by our many loyal sponsors in the community, and their names and logos are included in Pat’s colorful t-shirt design.

So round up your crew, jump aboard, and join us for the fun… It really is a great mid-week break for the summer months.
See you on the water!
